The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Anderson River Park Soccer Field Lighting Upgrade in the Fiscal Year 2023 Agriculture, Rural Development, Food and Drug Administration and Related Agencies appropriations bill.

The project sponsor for this project is the City of Anderson located at 1887 Howard St., Anderson, CA 96007. The project itself will take place at the Anderson River Park at 2800 Rupert Road, Anderson, CA 96007.

This project is a valuable use of taxpayer funds as it will replace dated and inefficient infrastructure and improve safety in the area while also saving on energy usage. Compared to the current metal halide lights, these LED will be substantially brighter. This project will benefit all visitors to the Anderson River Park, which is the largest regional park north of Sacramento. The park is host to a number of soccer leagues, both youth and adult, as well as community events.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Doug LaMalfa
Member of Congress
